“ I took Fletcher in when he was cold and living in a storage shed and I would pick him up and take him for rides and feed him. Fletcher was a kind soul. he would sit on the picnic table across from Harmony Creek Pub. He would wave hi to all the cars going by. That was his routine. God bless fletch. I will remember you always buddy. If you sat and spoke with him he was a kind soul just had a rough life. RIP my friend you are free now and no one will make fun of you anymore buddy. I tried to protect you as much as I could. Sad there's no funeral he was important too!
