devotion to family, and a deep commitment to serving others, he leaves behind a legacy

of compassion and service.

School District, he attended Syracuse University and later earned his Doctor of Dental

Surgery degree from the University of Buffalo Dental School. After completing an

internship at Upstate Medical Center, he began a distinguished dental career that

spanned 46 years in Pennsylvania and New York. Known for his steady hands,

compassionate care, and genuine interest in his patients' lives, he built lasting relationships with families across several generations. In addition to his private practice,

he served his community as a school dentist and as a member of the Blue Ridge School Board.

A man of strong faith and service, Dr. Hinkley was a lifetime member of the Masonic

Blue Lodge No 338 and a dedicated member of the Hallstead Presbyterian Church,

where he served as elder and chaired the Property and Finance Committee.

He believed in giving back to his community and took special joy in encouraging young

people. Over the years he volunteered as a Webelos leader, coached Little League

baseball, and served as President of the Blue Ridge Pee Wee Football program, always

encouraging teamwork, character, and perseverance.

In addition to his civilian career, Dr. Hinkley proudly served his country with

distinction

as a Lieutenant Colonel and as Commander of the 317 th Medical Detachment 99 th

Regional Support Command in Scranton, Pennsylvania. From 1974 to 2001 he provided

dental care to service members and diplomatic personnel in the United States and

around the world. His international assignments included service at U.S. embassies in

to his family, community, and country.

“ Sorry to hear of the passing of Dr. Hinkley. I started going to him when I was in high school. I needed a lot of work done and he and Jackie made it fun and easy for me. I was undecided on what I would do when I graduated and he suggested becoming a Hygienist. So that is what I did. I then worked in Scranton for Dr. Rushmore, whom also was in the reserve unit at Dr. Hinkley. Years later it came full circle and I worked with him. Condolences to the family.
I always think of him with fond memories.

“ I was fortunate to have worked for Jim for several years in Sidney. He was a very kind, considerate man to work for. We shared many laughs and some tears over the many years. Our office team was a family. To Nancy, Jim & Maria, Jon & Jessica, his grandchildren, and his brother Bob...I send my sincere condolences. I know it has been a rough few years. I know that the Lord has made Jim whole again. No more pain and suffering. My prayers are with you in the days and weeks ahead. May God comfort you all.

“ *Time just goes by, so fast.
My trip to the dentist,,, years ago,,, wasn't always enjoyable. But I
will say;
We laughed and somehow it was fun.
My aunt Bonnie Roosa was one of his many assistants.
I sat next to him at old Hallstead church and was proud.
I know where your headed,
My friend.
See you there, someday !!!*
