“ I am still in shock and can't believe it. I loved Alice dearly! Alice was my late mother-in-law's best friend. When I met my husband Alice became family to me. She was an incredibly loving woman with a heart of pure gold. I talked with her for hours, never tiring. We shared a deep love of animals. I truly know she is in a better place, our angel. May she Rest In Peace.

“ Alice was one of the first people I met when I came to UMCC. She loved to tell stories, particularly about her horses and the time she spent in the barn. She was so grateful to the daughter who ran a line so she could continue to get to the barn. I missed seeing her on those days when it was too dangerous for her to come down into the valley. She will be missed. Pastor Jackie

“ I will never forget and appreciated it when she would call check up on me after we lost our 9 day old daughter two years ago and kept checking on me when she could. Also when she would talk about her trips she went on and always smiling and laughing. We loved her and will miss her.
