“ Grandma I will miss you so much. All the times growing up that we played cards while everyone was hunting, making chili and stew for when they came back. The trips we took to Florida were always so much fun. I'm gonna miss u and I love you grandma. You always had a smile on your face and you loved everyone unconditionally. We will all miss you. Love ya grandma-💜 Beverly

“Ma” Carvin was very special to me from 1972 when I met her. She was my other mother. Always caring & sharing. I just enjoyed being her daughter-in-law & our many conversations & trips through the years. She didn't have much through the years but the love she gave to all was the most to all who knew her. I know she has reunited with “Dad” or Shorty to many, & is flying high above all of us. Thanks for being in my life & I will always love you as I'm sure all your kids did.
