“ Anita was one of a kind. Stearn yet so giving. Shared a lot of laughs with her as her aid. I was her aid for quite sometime and oh she cried when I was leaving that line of work. Anita had given me many items and have been displayed in my home since she gave them to me. I could never forget my dear friend as her birthday was a day after my mom's and as she has passed on my birthday. Not to mention as I walk by the gifts she had given me in my home. Had some great times with her when I was her aid. I would still stop to see her through out the years to visit especially her birthday and at Christmas, and when I was just down in Hallstead. R.I.P. my friend  you will be missed

“ Anita and I were high school friends and spent several over-nighters during the years at each other's homes. Sending my sincerest sympathies to her family.
