“ Dear Stan, Joe and Families, It has been such an honor to be a friend of your Mom's. She loved you so much. With our almost daily talks, she would tell me how proud she was. and of course, worried. Am sure you know this. After a while, she worried about me too. If it was stormy and I was out somewhere she would worry. She was so caring, and I Loved her for this. She always asked me about Phil and our family too. Such a Gracious woman !. She would not want you to be sad, She lived her life "her way" for a long time and now is walking and living with no pain, in Heaven. May she be resting with the God, the Angels and Saints and her beloved family that have died, in Heaven. Please keep in touch.
