Berti, I miss you so very much already, and it's only been 6 days. I absolutely loved our life together, the good, the bad, and the ugly, because it all brought us closer together in the long run. Please continue to stand beside me while I navigate the rest of my journey, please watch over our kids and our precious grandchildren, I will make sure that they all know how much you loved them. Until we meet again, I will carry you in my heart.

I love you forever,

Cookie/Shelly

Having known your Aunt Ro since we were 4 I feel like our families grew up together. I remember you at your Grandparents store when Ro and I were hanging out. You always were smiling and teasing us. My deepest condolences to the family. Rest In Peace Anthony.

“ Anthony was my best friend through high school and college (not to mention my best man at my wedding!)
We first met as rivals playing at different candy stores fighting for the high score on Donkey Kong, PacMan and Asteroids. (He couldn't beat me so we became friends-lol) Later on, we were great competitors in bowling at school-I'll give him that one. At Pace we rode horses together and worked our way through campus.
I have countless memories of us hanging out, looking for trouble and even a pre-wedding vacation to Daytona beach. He was a great guy to be around and I was lucky to be his friend 😊
Sadly we grew apart for many years and only touched base again last year via email with a video of him riding the horse track. His last email ended -“Would be nice to catch up with everything. There is so much to share.
Hope to hear from you my old friend.”
It breaks my heart we never got to make that happen 💔😞
RIP Ant 🙏 Love you

“ I'm in shock to hear this news . My memory of Anthony when we were kids is running in the back yard in patchogue. My cousin I haven't seen in years fell and cut himself and everyone panicked. Of course he was ok but I always remembered that. Rest in peace and praying for comfort to the entire family . 💔💔💔🙏🙏🙏
