“ *My Sister, Audrey was like a mother to my Brother Guy and I when we were little and going to school.. Every school morning she would make sure we had breakfast and then help us to get dressed properly for school.. I'll always remember her combing our hair. Guy's especially... Aud. would always under his protest... put a wave in Guy's hair. When she moved to New York City and found employment. She would bring me her fashionable clothes to wear...Audrey would exchange them every couple of weeks.. So as a result , I got voted the best dressed girl in High School..Audrey was always there for us. Audrey was a special person and was loved by all... Darlene is such a wonderful woman, She left her well established life behind and came home to care for her Mother.. I am so proud to say she is my niece.. Love and prayers . In Christ.. Janet*
