“ I cannot overstate how grateful I am to have known Carl Pease. I am sure I am in the company of the many wonderful people who feel the same way. I had the privilege of serving with Carl on the Associate Board and then on the Board of Directors of People’s National Bank. I quickly learned that the leader did not always need to have a title.

Generally we agreed. On the rare occasion when I sensed that my opinion was the opposite of Carl’s, I hit the brakes and reviewed all the facts carefully.

He was never self-aggrandizing, or self-serving. When he spoke, everyone listened. Carl’s wisdom did not interfere with his wit and sense of humor. Everyone enjoyed his company.

I think of him often as a role model to emulate. It was a blessing to have known him.

“ I am so sorry, and am praying for the family. I was a young girl growing up on Snake Creek Rd. My family often went to the store owned by Mr. Pease. I remember to this day how kind and sweet Carl Pease was. ❤️
