“ Although I never met Catherine, I have had the pleasure of working with her son, John. John is one of my favorite people in the whole world and I know that she had a huge role in shaping his character and sense of humor. I cherish the wonderful stories John shared over the years of his mother and father.

*Thinking about you John - wishing you and your sister peace and love as you hold dear those wonderful memories.*

“ *Our entire family would love it when Mr. & Mrs. Battisti visited John in Louisville. Catherine could light up a room and inspire us all to live life to the fullest; she showed us how to appreciate the spirit shared by all she encountered. She will be missed, but I'm happy that John and Catherine are together again.*
