“ *I'm so sorry to hear about your loss. I'll always remember when she lived just 3 doors down from my mom, on Main Street, Great Bend. My mom had gone to Binghamton General for chest pains one evening. After several tests, they released her. The next day, Cathy walk down, just two houses, to stop my mom from weeding her rose bushes. My mom was deaf, and being outside, couldn't hear the phone. I just arrived to visit and she was convincing my mom to get right back to the hospital. I believe Cathy may have worked for the ambulance crew and they were able to get Cathy to go to the house and advise her they did, in fact, find an irregularity in her heartbeat. She had several large gall stones that were pressing against an artery to her heart. Cathy, in my opinion, as well as my family's, feel that Cathy saved my mom's life! Long before cell phones. 1977, I believe. She earned her wings several times over. She is now with her loving, heavenly family and will be sorely missed here. God bless you and all and keep her close, in the legacy of love, she has blessed so many with! With ou deepest condolences, Judi Barron-Millard and family.*
