“ I was saddened to hear of Chris's passing and my sincere condolences to his brother and extended family. Chris was one of those people you just always enjoyed running into. A kind and caring friend. Remembering the one and only time I did the "Clinton Street Run" it was with Chris. He knew everyone and we all enjoyed his funny little chuckle ..I can hear him even now instructing the bartender to..."sprinkle the infield." God Bless and keep you...til we meet again.

We have so many memories of Chris from so many years it's difficult to come up with a favorite. He was always there to put a smile on your face on the worst days. There are songs I hear that always make me think of Chris dropping that quarter in the jukebox and dancing his way back behind the bar. Long before East Side and Sea Galley, there was Riverside and Andy Cap's. He was a good friend to many for so many years! "Salute Chris". May you Rest In Peace and find your way home.
