“ Chris, you have been gone for 5 months today and it doesn't seem to be getting any easier without you. They say time heals - and it gets easier... I don't believe that. I think as each day, week, and month that passes we miss you even more. We mourn that you're not here every single day... I don't know how we can stop... I want you to know you are loved and you are always thought of - memories of you pop into our heads and we see your face and hear your laugh or see your tough guy scowl and it only hurts more that we cannot reach you, talk to you lean on you, spend time with you, joke and laugh and bust chops with you. Our hope is that someday, there will be a little peace, a little less pain. I pray everyday that God has shown you how much you mean to us and how very much we love you and always will. That you know that without you, we are not whole. We are missing a part of our hearts - that left us when you did. Brother Bear - please keep your eyes on us and watch over us - we are always looking to the heavens at you. Love you and miss you more words can convey. And please give Big Daddy all our love!

-Your Sis and Brother

“ 4 months already Brother Bear... It feels like yesterday and it feels like eternity - each day is supposed to get better, but it doesn't. Who ever came up with that saying - well, didn't have a clue what they were talking about.

We miss you so much, it hurts and it sucks and it's so unfair... God how we pray that you know how much you are loved and missed and cared about.

“ Chris, we want you to know that not a day goes by that we don't think about you! All the time we had with you here, was such a wonderful blessing... but for us,, just not long enough. Everyday that passes without you, just doesn't seem fair. Without you - is no place to be.

Our hearts hurt so much because we cannot see you, or talk to you or laugh with you. We are struggling so much with this. Please know how much you mean to us, and that every single second of every single day, we love you and miss you more than words can say.

Rest peacefully brother 🐻

Love always,

Rick & Sharon

“ We are so sorry to hear of Chris passing. When we were up north in June we made a special trip to his shop to see Chris and made plans for dinner at Dobbs that night. It was so great to catch up with him, hear his jokes and he just made the entire table laugh. His friendship meant so much to my son Max and it was great to see them together. He will always be in our thoughts. Rest in Peace and our condolences to his entire family. We will contact Tuttle-Yeisley Funeral Home and assist with his final expenses,

*Hi Linda,
My name is Sharon Phillips (I'm Chris's sister in law) What a beautiful memory you shared of Chris.. there are so many!
Chris told me of your visit and how happy he was to see you and Max. He laughed when he spoke of the evening he'd spent with you, he was so thrilled to see you. He told me how kind you have always been to him and how much he enjoyed your company and Max's friendship. He spoke very fondly of you all.
He was a true, genuine and kind man - thank you for sharing your memory and condolences.
Chris told me what kind people you are and that I would love you if I met you.
I don't doubt that one bit. He was an excellent judge of character.
We will miss him dearly until we see him again.
Thank you again, God Bless you and your family.*
