“ So sorry to hear of my cousin's passing. I have a fond memory of when we (Dudley, Norma and their brood of 10) were all kids and we would travel from NY to PA to see my Uncles and their families and my Grandma and Grandpa Hall .Cindy would always greet us with "The Dudley's are here!" She will be missed. Love to my extended family, you will be in my prayers.

“ Will miss Cindy very much. Sweet classy lady with awesome Juke box skills. Will miss walking her home even though that sidewalk was a bit of a skating rink in the winter.

“ Aunt Cindy was always so kind and supportive. She loved music so much. She always encouraged me to sing and helped me become a better singer. I enjoyed our visits every year and loved our Christmas time traditions. She was always “The boss of Christmas!” When I was very young, she used to always make me a chocolate cake. I’m also glad that we got to fly in style to Disney World. So many wonderful trips.

Love you very much, Aunt Cindy. I have so many terrific memories with you. Hearts! 💕

“ I have so many fine memories of Cindy or "Princess" as my dad called her. She had such a kind Generous Heart and was always the life of a party. Just one story....Cindy used to visit us when we lived in NC. On one of these trips, Cindy, my mom Lois, and I went to the grocery store together. Cindy hopped in grocery cart and saying at the top of her lungs nothing is finer than to be in Carolina in the morning all throughout the store. At the checkout she told the clerk that it was my mom smoking marijuana that was causing all the disturbance. Then she told the clerk that my mom had counterfeit money and that she shouldn't take it. Wife was always full of laughs when you were with Cindy. When her business became so successful and she was winning one award after another she shared her wealth and spirit with a family. As I Was preparing to go to Australia on a trip Cindy sent me a large amount of money and told me she wanted me to make memories with it because that was the only thing life couldn't take from you. When my own life was upside down Cindy opened her home to me. I always enjoyed her stories and laughter and her leaving us leaves avoid in the world. I love you Cindy and I know you're with the angels.
