“ Steve and family, Connie is my second cousin and we went to school together as good friends. Every once in a while we would run into you guys at the flea market, or at the Mall with Dee. I have prayed so hard for her to live, but I guess God has other plans for her. She is now your special angel and she's not suffering any more. I am keeping all of you in my thoughts and prayers as you learn to go on without her. She will be watching down lovingly keeping you safe. Take care. Lila Acker

“ *I went to school with Connie. We hung out as friends in our teen years. I would visit Trudy and we would go over to Connies house. She was a funny girl back then. I can still see her laughing. Those hip hugger pants she wore still stick in my mind too. I will never forget her. All my prayers to her family.. Marla (Sturek) Bisner*
