“ Word of Dale's passing just spread here to Tucson. He is very fondly remembered for his time as a Deputy Sheriff with the Pima County Sheriff's Department especially in his role as Training Officer at the Academy in 1974 where he literally molded and shaped the future of the Sheriff's Department due to his impact on the recruits, which included me. He was a gifted teacher and mentor who encouraged and cajoled the class of civilians into becoming professional Peace Officers all the while while maintaining a sense of humor. We are all in his debt and his memory will live on with those of us who served with him. "Badge Number 247 10-42" ; R.I.P Dale.

“ My deepest sympathies to all. I will always remember staying at my grandparents as a preteen/teen and so excited to hang out at your home, Dale was a good sport with a bunch of us girls in the house. Years later, I was a neighbor, Dale had a smile that just made me feel happy. He always made me laugh & felt safer knowing “almost” family was nearby . I miss his smiles, waves and his little puppy Willie. My heart is with you all.

“ *Dee, We extend our sincere condolences, love, and prayers for you and your family. We are grateful for the time we got to spend with both of you after you moved back to PA. We looked forward to our Sunday morning coffee gatherings or an occasional meet-up for a dinner until you moved to Florida. We shared happy moments and sad moments. Dee, you spent time with us at Mom's bedside offering us comfort during her final hours. And Dale sang at her memorial service. He is now at peace and no longer in pain. If you listen in quiet moments, I'm sure you will hear Dale singing in Heaven's choir of angels, a place that has unquestionably been reserved just for him.*
