

## Daniele M. Upright

January 7, 1980 - November 23, 2022

"My mother, Daniele Upright, has sadly passed away on November 22nd, at the age of 42. My mother struggled with many things but loving her family was not one of them. While addiction had my mother in its grasp, she still tried her best to be the aunt, sister, daughter, mother, and grandmother she so desperately wanted to be. When she was at her best, my mother was all of these things and more. Her love for me and her granddaughter will live on with us and be felt every day. She is loved deeply by her family and friends who will miss her forever."

There will be a private service at the convenience of the family.

“ I’m so sorry for your loss. Daniele was a good person who was plagued my many demons. From a professional standpoint, she was very lovely and cared for her fellow humans immensely. Her life, struggles, and death will stay with me. I’m sorry she has lost her battle but I pray you find comfort knowing she is at peace. Thoughts and prayers to you all.
