“ I miss you so incredibly much grandma. You were the joy to the family. We all love you and cherish the moments we had, but surely not enough. We all miss your smile, your laugh, your courage, how caring you were, how you put everyone else before yourself, etc. I miss making cookies, and pizza with you and grandpa every week for dinner when I'd stay at the house. Pizza nights were my favorite. I miss watching movies, having popcorn, setting up the tree, laughing with you, going sailing, hanging out on the beach, monopoly nights in OC, and you in general. I heard your voice on a video yesterday and broke down to tears. No one should have to live without their grandmother, and it truly is so hard. 3 years grandma. I love you forever and always ❤️.
