“ Dede is my childhood Best friend! From day one when she move in next door we became friends! The adventure we had , doing science experiments in her garage, making club houses on the side of her house, climbing her apricot tree feasting until we were stuffed, to singing song to musicals. Grease was our favorite! Dede was in love with Addy Gibb! We went his concerts and even saw him close up at a walk-a-thon. He said hi to us and Dede starting crying! As teens we got into mischief and adventures! So glad we didn't have phone back then! Dede was in my wedding! After Jerry and I moved away we lost contact for a while. When we reconnected we talking for hours, sharing stories and holding onto our wonderful childhood memories. Dede , I love you ! You know that and I have always had you in my prayers even when we didn't see eye to eye. You were always be my best friend. I love you forever and always.
