“ Little D, I'm still in shock that you're gone. I loved you, you were another nephew to me. I'll always have the memories of you growing up, and I'll always cherish our conversations we had. You were taken way to soon. Until we meet again. 🙏🙏

“ I never got to meet Dennis though ,I heard his voice and laughter for hours while talking with my husband! When John was just needing someone to talk to he was ready to listen,and give some good advice, he even tried to convince Mariah that John needed a place to stay ,when John was only playing! From what I heard on the days and evening's, Dennis ,and I no him now by (Denny Mac), is he absolutely loved his family, and became and always will be family to us! My husband spoke very highly of Dennis, and I can see why I never meet face to face but feel like I have known him for years!!! We are so sorry for your loss and if anything is needed please don't hesitate to call!!!!
