“ May this tree's roots grow strong and deep;
May branches reach to sky
And hold the love and memory
Now shared with those who cry.
Green leaves shall shield you from the sun
And keep you from cold rain.
Bright birds shall sing among its boughs
Until you meet again.

Holding you in our hearts 💕 and prayers.

“ Rest in peace my friend. We shared some great memories of our younger years. I only wish we could have been able to get together and reminisce in person. My condolences to all of Diane's family and friends.

“ Diane had a huge heart. She was always there to lend an ear, or support her family and friends when they needed her. I am so happy we had these last few days to spend together. I will always treasure the memories we made growing up together. Love you sis.
