“ *Love to the family of my Uncle Don, my go to fixer, a man always ready to help. I'm so glad I was able to visit and spend some time with him in August before he was called to his rest now he can spend time with all the family and friends that went before Jim. We shared the same laid back and easy going temperament. Uncle Don, you'll be missed by everyone who loved you and remembered by all the others who crossed your path. Who will pick the mushrooms now? Always with love, your niece, Karen*
