PS

“ I will never forget the bowling years at Valley. Don always had a smile and a story ready.
We always had a great time while we busted each other for two hours each week. No subject was off limits and that's what made it fun. I can still see him dancing after a strike or two. My heart goes out to the family but remember, a little bit of him will be in all of you.

God bless him as he looks down on all.
