“ Michele and family,  
My family and I are deeply sorry for your loss.  
It is an honor and a deep privilege to say that  
we (Jonathon, Brandon and myself) had the  
opportunity to know and work with Donna  
through the years. She taught us all the meaning of compassion,  
dignity and respect for ourselves, our co-workers and for all the  
residents in our care. God be with you during the days weeks and  
months ahead. May your treasured memories give you comfort. She  
is with you, always.
