“ I worked with Dorothy at Penelec from 1970 to 1974. She was a very kind lady. I also met Howard who always had a smile on his face. I am glad to have known them. To their family I am truly sorry for your loss.

“ Dorothy was a wonderful neighbor and friend. She and I shared a love of cats. I adopted one of her cats and we shared a lifelong love for our beloved pets. A memory I will never forget is her praying in the last pew of St. Lawrence church. I also remember Howard walking their dogs past our house. She will not be forgotten.
