“ *We will miss Ed, our brother and friend, so much. His smile and infectious laugh always made family gatherings fun. And for sure we will miss his humor and desire to educate us about such things as inventions and Paul Revere's ride. We love you, Mary Kay, Chad, Amy, and your families and share your loss of a great guy who always showed his love of family and friends while on earth and is now content with the Lord he loves so much*
