“ I am so very sorry for your loss. Eddie was a nice guy. Haven't seen him since I moved from there in the 70's but never forgot him or his dad, who worked on our cars. I'll never forget, as a teen, in a winterstorm driving to Montrose for my driving test. The chains broke on the one tire. My Mom& I stopped at the garage to have it fixed. It was so slippery, the car nearly went through the front window!! They fixed it for us. We went up, took my test and passed. :) Thank you Ed Sr. God must have needed another good Vogel man too you home to Sharon & family. God Bless you all. He may be gone from here for now, but will always feel his presence an have great memories until you're all together again. RIP Eddie.

“ When the chips were down... I rode all the way home from Montrose and up my hill with a broken tie rod end... I will never forget the face on Mr. Vogel's face when he came to tow the jeep! He was so funny... and caring!!! He literally held one of my cars together with stuff from a spray can and paint... till I could afford to get a "new" old car!!! He was a prince among men... a true gentleman!!!

“ We are greatly saddened by your Dads passing. He was very good to us. I will always remember him for his gentle side how he would always ask about the grandkids. May you be healed by the thoughts of him being reunited with your mom and the thoughts and prayers of all your family and friends.
