“ *Aunt Liz will be missed by so many. We are a big family - huge, actually - and Aunt Liz was always part of what was going on. When I would go home to visit mom, I would go visit Aunt Beatrice, Aunt Liz and Aunt Beverly when they all lived in the same building. We would talk about what was going on in the family, which would take all afternoon. Aunt Liz, and all of her family, were so thoughtful and kind when Mom passed away. I am sorry I will not be at the service to say good bye but all of her family is in my thoughts and prayers.*

“ Margaret and Angelo,
Our condolences to you at the loss of your mom. I always enjoyed her so much. The one thing I always will remember about her is how she loved her earrings. She said that she didn't feel dressed without them, even after having major surgery. May God Bless!
