“ I am truly thankful to say that I knew her and that she always brought a smile to my face. I worked at her local gas station and she would always come in and get her newspaper, and her lottery tickets! She always chit-chatted with us and always knew how to make us smile! Never stopped smiling, even on her bad days! She was a wonderful woman! She had a heart four times the size of her! My thoughts and prayers are with her family and friends! She will be missed!
