“ As Erik's seventh grade language arts teacher, I was in awe of his presence. He was a healthy, towering, friendly, compelling young man with an endearing smile. I cannot think of a moment spent with him without happiness being an ingredient. His gentleness touched my heart, and I sadly offer my condolences to all who enjoyed his friendship.

“ Dear Uncle Ronnie & Aunt Joyce, Erik was special to all of us. He was such a great help to mom and dad over the years. The Lord truly blessed Erik with many talents. I appreciate when I ever had car trouble Erik was there for me. He and I had many conversations how the Lord had worked in his life and that is comforting. I am praying that family and friends will come to know the Lord also through Erik's example of Christian love. With much love. David & Chris
