“ To the Lewis family my condolences and love go out to you all. As I was sitting here trying to think of what to say I walked out of my game room and it was snowing it was 60° here yesterday I think your mom was sending me a sign to make it easier. I don't have to tell any of you what a great woman Jane was she was the best like no other she touched so many people in so many ways I am so thankful that I was able to be a neighbor and a friend to your family I am truly indebted for all the great things in the influence your mom and dad had in my life. I remember when I was a little kid how your mom used to lure me across the street with her cookies I'm not sure if it was because she wanted to see me or to keep me out of trouble but I love her for it. Saint Clair Road was the best place that anybody could have been raised and your mom was one of the biggest parts of it to Jane would you give Mary a big hug and a kiss for me and I am looking forward to meeting you again one day thank you all I love you .to Jane rest in peaceLove Rusty
