“ So sorry for your and the family's loss Candace. I remember helping Gene clear out his house after a major flood quite a while back and running into you and him at Michaelangelos. He was a good man and a good Union president back at Vail. RIP Gene.

“ The day Beat and I left his house heading for Susquehanna, and we rolled his pick up over on its side. Didn't get hurt but we both scared. Gene drove my wife Pam and I in our wedding, he was the prefect choice for me since we grew up together.
