“ My thoughts and prayers go out to the family in your time of loss ,
heartbreak, and sorrow. I worked with Fawn at Meadow view when I
was 20 years old. She was the one who trained me and we became
friends and great team workers together. She had a smile that
would melt your heart and she had such compassion for each and
every person she worked with and the residents were always loved
in her care. Such a sweet soul that she had. I am now 44 years old
and I have never forgotten the kindness she showed me and the
love that poured from her heart. Rest In Peace Fawn and one day
we will meet up again . You will be missed by many. 💔
