“ I will always remember my mom with affection and joy. She was a great mom. I remember so many wonderful kindnesses as I grew up. There were times that I drove her to exasperation for sure. But she was a faithful and supportive mother in good times and in bad. Over the years she also became a valued friend. She is now with the Lord Jesus which was her heart's greatest desire.

I have so much to say to you Mom... and we will have all eternity for me to say it!

Blessed be the God and Father of our Lord Jesus Christ! According to his great mercy, he has caused us to be born again to a living hope through the resurrection of Jesus Christ from the dead, to an inheritance that is imperishable, undefiled, and unfading, kept in heaven for you, who by God's power are being guarded through faith for a salvation ready to be revealed in the last time. In this you rejoice... (1 Peter 1:3ff)

And how exuberantly she must be rejoicing!!!

“ Vacation when I was younger involved a trip north to visit family and a trip to see Aunt Florence and the family was always included, which was my favorite part of the vacation. I remember her smile, her laugh and the fun that we always had together. Aunt Florence, you have finally made it home to your heavenly father and I'm sure there were plenty of earthly family members waiting for you at the gate! Love you Aunt Flo!
