*Dear Ed, Kathy and family,
Please accept our deep sympathy in the loss of our gentle, loving Florence. Wanted so much to be at the service today but just did not work out that way. My husband Todd is struggling with stage 4 colon cancer and Florence has been such an inspiration to us, even through all she was dealing with. We have received such encouraging emails from her as she shared her reassurances that God our Father is supreme. When I first started the ladies Bible study at church, she was one of the most welcoming gals I met. She will be SO missed.
With love,
Pauline & Todd*
