“ *Leaving our house 2 doors down on Dayton ave won't be the same without seeing Frank's smiling face sitting in front of your house on his bench. We always made a point to say hi and/or wave as we drove by. I'm sure he will never forget Doreen dancing on the sidewalk trying to get our Basset Lilly to run back to her. I know of at least two occasions when he laughed out loud from his bench. Lol. He was a great man whom I've known most of my life and he always had a smile for his friends. Our deepest condolences to the whole family..*

“ One behalf of the Members of New Milford Rifle & Pistol Club we would like to express out heart felt condolences and offer our prayers and thoughts to the family and friends of Frank. As one of the founding members of the club, he truly took ownership beyond being just a member, the club was a part of his life and he often asked how things were going every chance he could. In retirement he still attended the Annual Father's Day BBQ every year and supported us in spirit. He will be missed.

“ When I was a kid & had fabulous fashion sense, Frank refused to let me ride in his car unless I un-tucked my pant-legs from my gaudy knee socks. Here was a guy so mild-mannered & sweet, but even he had the guts to call me out on my ridiculous outfits & color combos. I'll always luv ya, Bro. Frank ! <3
