“ R.I.P. Chief <3 words cannot express the sorrow in my heart for Jan and your families. I wish you would walk in once more and tell us how to park our cars, or how to make swill....or ask 'where's Fluff?' I wish I had a last chance to chase you down for your ears and eyebrows....I will always treasure the cartoon you gave me about that too. You've gained your wings and I know you will fly high proudly, always watching over us all. You will be missed...and for one last time...Chief Out!

“ I knew him as "George" in VAQ-33 and was proud to have him as a shipmate. He was my "right hand man" during our deployment to Viet Nam on board the USS Intrepid in 1968. At the time, I kidded him about spending his Navy career, other than boot camp, in his home state of Rhode Island and having the nickname "Quahoger"

He was a good man and a good friend. I will miss him and his emails.

“ I'll always remember when Uncle Tom took us for a tour of the area when they moved to PA. Some of the coolest things were the huge train trestles, the water viaducts, and the "hidden" waterfall-behind the donut shop. Even though we didn't have tons of time together we made it quality time. Will miss him & God bless him. Hugs to his family.

“ Will definitely miss my uncle and his ever present coffee cup. Feeling my dad's sadness on the loss of his oldest friend and brother-in-law. Thought it was cool they knew each other before they met my mom & my aunt (they are twins). Our prayers and thoughts are with my aunt & my cousins. Be at peace Uncle Tom <3
