“Joyce and Family, I am sad to hear of Harry's passing. My family and I lived in the duplex on Franklin Street and Harry's, his parents, and brothers and sister lived next door in the other half of the duplex. I also had the honor of experiencing Harry's work. He put in my sidewalk when I built my home. The sidewalk is still in excellent condition after 32 years. May this fine man rest in peace and be remembered for the great man he was.
