“ Aunt Betty, Deb, Chuck, Tim, Shannon, we are so sorry for your loss. We will be there for all of you.

It said share a memory, but how can you share one? Every time we visited Uncle Henry there was a new memory. I am sorry there was a lapse in our visits, but so glad we got to visit again over the last several years. I was only over at the house in Johnson City a couple times but remember the house in Jackson more, where Uncle Henry enjoyed giving us a ride to the pond on the go cart and showing us the big carp in there. He left a can of food to feed them and see them come to the top. Every time he put the cigar in his mouth reminded me of his brother Uncle Pete. He always had a smile on his face. My sister Linda and I stayed with him for 3 days when Aunt Betty had her hip surgery and was still in the hospital. Now we know it was meant to be for us to spend that quality time with him. We love you Uncle Henry and will miss you dearly.
