My heart is so overwhelmed with sadness that I can't be there for you. I am so very sorry for your loss of your beautiful daughter. The gratefulness that we can take comfort in is knowing we will see her again with a healthy body not hurting anymore. That is the comfort I try to take hold concerning John and his cancer and seeing him again in no more pain. So, again both my son Ryan and I extend our deepest condolences. Our thoughts and prayers are with you. I will wish to honor in coming to the service via the virtual mode. Again know my love is with you always.

Ruth, I only just met you at Hope Lodge this summer when I was there with Joanne. I didn't get to meet Hope, but I felt like I knew her through talking with you. Your faith has been quite an inspiration to me. I am so sorry for your loss. My heart and prayers go out to you and your family.
