“ *Never met Jimi in person, only on FB. I contacted him because I thought we may be related. My mother's maiden name was Agnes Williams born and raised in Hallstead. She married Oscar Mitchell from Montrose. Her grandfather was George Decker. Jimi wasn't sure but laughed and said we probably were related. Lol Even if we aren't related it felt to me as though we were because of his personality. Just seemed like a wonderful person. I'm so very for Doreen and his family for their loss. I have no doubt that he is standing next to God as I write this. RIP my friend. 🌹🙏*

“ *Not a moment in my life when our families weren't intertwined....we were family! His grandparents had our respect as Aunt Amber and Uncle LeRoy and Grandma Lena . Their devastating loss is our loss, too. Jimi was talented, friendly, and had finally found his soulmate in Doreen. May God wrap you in the peace, comfort, and understanding that only He can give during this time of great loss! 💕🙏*
