“ I was just up in Scranton over the weekend and thought wow, I haven't heard from Jimmy for a long time. So after 5 or 6 google searches, I was surprised and saddened to hear of Jim's passing. Jim and I met in the 6th grade and were best friend until he moved to Pennsylvania with his family. I knew his mom Jenny and dad Clark. As well as His brother Mike who I hope is doing well. Jim used to invite me to go out to dinner with his family at the 301 Ranch Restaurant in Waldorf MD. Jenny let me drive/ taught to drive on her Red 59 Chevy impala , a True classic today with the continental kit. And later her 67 Buick electric 225. I was there at Jim's wedding to Linda, who I also hope is happy and well. There were some Very Good times. Again sorry to hear of Jimmys passing.
