“ I am so sorry to the loved ones left behind. I loved Jan, she was my kids bus driver and I always knew my kids were in safe hands with her. Jan and Rolland were in our families life for as long as I remember. We camped together and we did a horning together on my sister and brother in law. Whatever our families did together we had lots of fun. They are great people. We will miss you Jan.

“ I remember meeting her when the school bus she was driving skidded on some ice and went into a ditch in front of my house. There were no cell phones so I called in to get someone to come rescue them. We had a short but very pleasant conversation while she waited for someone to pull them out and send them on their way. From that day on we always greeted each other whenever our paths crossed. Wonderful lady.
