Janice worked for 18 years with GE, which became Lockheed Martin, before retiring in 2000. She was a member of the Franklin Hill Presbyterian Church. “ sorry to hear of her passing ? Janice is & was one great; beautiful lady to have worked with & known throughout our days of working together ? She always was there to help anyone out in need with our jobs. We used to go out once in awhile; a group of us; after work & we enjoyed just relaxing & having a great time ! When I had to leave because if cut backs in at work; I lost touch of her. But I will never ever loose our great times that we had together ? Yes; she is & was one terrific lady to have to know. Now she's not suffering any more health wise & she'll be with her loved one Harvey soon! God Bless you lady & may all your childrens; grandchildren; & great grandchildren always remember you in their hearts & minds, all the great & beautiful things you have taught them & loved them all dearly !Even all her families; relatives & Fruends whom knew her well !! May God help guide you all & be strong for her; she would love it that way ??
