

Jessica Margaret McPeek Cox

May 28, 1980 - February 6, 2021

Jessica Margaret McPeek Cox, 40, of New Milford, PA, entered into rest on February 6, 2021. She is survived by her companion and the love of her life, Donald Welch. Also by five children, Matthew McPeek, Vicki Shoemaker, Joshua Shoemaker, Tim Shoemaker, John Shoemaker Jr; Donny's children, Brett Welch and Zachary Welch; four grandchildren, Brooklyn, Troy, Jaxon, and Riley; an uncle, Tom (Sandy) McPeek; and several cousins, one niece, and a nephew. She is predeceased by her mother, Laura McPeek.

Jessica enjoyed going fishing, but wouldn't bait hooks or touch fish, and learned to shoot pistols at the Rod and Gun Club. She could often be found at the races at Penn Can and Five Mile Point. She kept track of her uncle in multiple phone calls. Jessica loved her children and spending time with her family, especially the Fourth of July picnics and fireworks.

The family will hold services for her at a later date at the Blue Ridge Sportsman's Club, New Milford, PA. In lieu of flowers, memorial contributions may be made to the Tuttle-Yeasley Funeral Home, Inc. P.O. Box 936, Hallstead, PA 18822 to assist with her final expense.

“ I have known Jessica for over 25 years and we have some great memories and some bad ones as well I can't beleive she has left at such a young age i can't believe we won't see her at the races no more cheering me on and the other drivers she would say don't worry billy I'm your number 1 fan and I would say no your my only fan lol she would cheer me on if I was doing great or if I was doing bad and I got to say she has always supported my racing she would try her hardest to be there to watch I really can't believe she's gone but she will never be forgotten and the love she had for Donnie was so deep and pure it breaks my heart she had to leave us all

“ Sorry for Jessica’s children & Families loss, I never agreed with some of the choices Jessica made earlier in her life but it’s still sad she passed so soon. We did make some good memories when she dated my dad and she definitely made me laugh.
