“ *Shocked and so saddened Rick. We are going through our everyday lives and you and Rose are in such deep pain. My heart goes out to you both. I cannot imagine how hard this is for you. Know many people are praying for you we have never met but I feel the friendship between us and what hurts my friend hurts me. My thoughts are with you. May the Lord strengthen you in the fact that this is just a temporary separation. You will be with her again....*

“ Jessica was such a sweet, loving, and giving person. Even though we lose touch with people, she is one person who never left my mind. My heart breaks for her family, and for her fiancé. She deserved happiness more than most of us, and I think it was obvious even to those who didn't know her well, that Eric gave her some of her happiest days. She will be well remembered, and terribly missed.
