We are so sorry to hear of your loss. It was such fun to find that we had an additional shared interest in our grandchildren when we met you and Joan at Maloney's. You will be in our thoughts and prayers.

“ *Kim, your mom was a great person. I first met your parents through Gordy when Mark played in the band. They use to go to a lot of places the band played with Max. I never knew that your mom and Max was sisters. Then when I met you and realized you were connected to them , it only made it better. You all are wonderful people, and I am so glad we became forever friends. Take Care <3*
