“ A year ago yesterday you passes away :(as a friend i will always remember the good times we had together. So many memories as to bike rides, walks in the woods, rides to new milford pool, cruising around in the car, having camp fires and hanging out at the waterfalls. Miss you and love you always. Rip.

“ Joel, it took a few minutes for the news of your departure to sink in my head. You left this world so suddenly and at such a young age that it's hard for anyone to accept. We will miss you. I pray that you rest easy and find comfort in the Lord. You are loved by so many.
