“ Jack, or "Uncle Jack" to me when I was little--you've known me ever since I was a baby...you and my dad were good friends and I remember my dad telling me how much trouble you guys would get into growing up...I still remember riding with you on one of your Harleys and how smooth it was, going to see some dirt bike race in the pouring rain, and your dogs Steve & Teddy who I had kept in my prayers when I was young...you've created a beautiful family and lived to be a grandfather...most of my family who knew you and loved you are now with you too...rest in peace--you will be greatly missed...my thoughts and prayers go out to Jesse & family and Terry....Love & Hugs~Linda

“ I first met Jack around 1967 in Warminster, Pa I had just got married and he was married to Anita. We shared interests in ham radio, then gun, target shooting, hunting and fishing. I moved to NH got into motorcycles. Jack came up to NH for a while and we rode together up there. We both got divorced, he moved back to PA bought that cabin in the woods and fixed it up pretty well. I moved back to PA a little later. Hunted with him and friends on his mountain. Got my first 8 pointer up there in 1986. Due to injuries from a motorcycle accident I didn't hunt any more but we stayed in touch off and on thru the years. I am very happy he settled down and had a family which he bragged about all the time. He was a great guy I only wish I spent more time with him. He was a good friend who would do anything for you. I am not part of his present life, never met Jesse or grandkids or current motorcycle friends. I knew the earlier Jack and we had some very interesting (high) times. I will miss him.

“ Jack was not just my friend Jesse's father he was also my friend. On one of our annual group friendcations I remember one time a few of us had burned up all his firewood for the winter... we'll let's say I was working the chainsaw and filling it back up the next day haha... Man... Jack was a great guy to be around and very proud of his family. He will be missed but never forgotten.
