“ John was a Reclusive person, but kind and when he chose you as a friend he was there in the background for you. He loved his family each in their own special way. I knew him for many years and he was always gracious to me and always had a cute story to tell about life and people. When I was able to come up there to visit my family and friends, he was always one of the friends I made sure to see. R.I.P. GOOD FRIEND UNTIL WE MEET AGAIN ON THE OTHER SIDE OF LIFE.
